Judge ASPEN

**AFFIDAVIT OF JOSEPH GILLERAN**

JOSEPH GILLERAN, being first duly sworn on oath, deposes and states as follows:

1. I am a Field Representative employed by the Laborers' Pension Fund and the Laborers' Welfare Fund of the Construction and General Laborers' District Council of Chicago and Vicinity (hereinafter collectively referred to as the "Funds"), Plaintiffs in the above-referenced action. My responsibilities include oversight of the collection of amounts owed by Defendant B & M International Construction Inc., (hereinafter the "Company"). This Affidavit is submitted in support of the Funds' Motion for Entry of Default Judgment in Sum Certain. I have personal knowledge regarding the statements contained herein.

2. On October 6, 1999, the Company signed an Independent Construction Industry Collective Bargaining Agreement ("short form agreement") with the Construction and General Laborers' District Council of Chicago and Vicinity ("District Council") and Laborers' Local Union No. 1. A true and accurate copy of the short form agreement is attached hereto as **Exhibit B-1**. Pursuant to the terms of the short form agreement, the Company is bound to the terms of the relevant collective bargaining

agreements incorporated by reference in the short form agreement ("Agreement(s)") and the Funds' respective Agreements and Declarations of Trust.

3. Pursuant to agreement, the Funds have been duly authorized to act as collection agents on behalf of the District Council for union dues owed to the District Council.

4. The Agreement and the Funds' respective Agreements and Declarations of Trust, to which the Company is bound, require that the Company submit benefit and union dues reports and contribution payments by the tenth day of the following month. Benefits payments which are not received within thirty days of this date are assessed liquidated damages in the amount of 20 per cent of the principal amount of delinquent benefits contributions, and interest at a rate of prime plus 2 per cent as charged by the JP Morgan Chase Bank from the date of delinquency forward. Dues payments which are not received within thirty days of this date are assessed liquidated damages in the amount of 10 per cent of the principal amount of delinquent dues contributions. A copy of the relevant portions of the Agreement is attached as **Exhibit B-2**; a copy of the relevant portions of the Amended Agreement and Declaration of Trust creating the Laborers' Pension Fund is attached as **Exhibit B-3**; a copy of the relevant portions of the Amended Health and Welfare Department of the Construction and General Laborers' District Council is attached as **Exhibit B-4**; and a copy of the Agreement and Declaration of Trust Establishing the Construction and General Laborers' District Council of Chicago and Vicinity Training Trust Fund is attached hereto as **Exhibit B-5**.

5. An audit of the Company's books and records was conducted for the time period of February 1, 2004 through October 31, 2007. The audit revealed the following

delinquencies:

Welfare Fund	\$ 4,880.54
Liquidated Damages	\$ 706.83
Interest	\$ 376.87
Pension Fund	\$ 3,249.89
Liquidated Damages	\$ 480.90
Interest	\$ 232.22
Training Fund	\$ 123.89
Liquidated Damages	\$ 18.43
Interest	\$ 9.43
Dues	\$ 341.19
Liquidated Damages	\$ 247.94
LDCLMCC	\$ 63.12
Liquidated Damages	\$ 6.31

Interest	\$ 3.59
LECET	\$ 31.56
Liquidated Damages	\$ 3.16
Interest	\$ 3.04
<b>TOTAL</b>	<b>\$10,826.55</b>

A true and accurate copy of the audit is attached hereto as **Exhibit B-6**. A true and accurate copy of my audit summary sheet is attached hereto as **Exhibit B-7**. The audit summary sheet attached to the Complaint contained an error showing 30.58 additional hours worked for the period of June 1, 2005 through May 31, 2006. This has been corrected to show 30.50 hours worked for that period. In addition, the attached audit summary sheet does not reflect \$4,327.44 in shortages for June 2007 reports, which was paid by the Company after this action commenced. Finally, the audit summary sheet shows \$750.75 in accumulated liquidated damages as a result of untimely submitted benefits contributions for the month of June 2007, which has not been included in the above amount.

6. The cost of the audit was \$1,295.00.

7. The Company has failed to submit its benefits and dues reports for the time period of October 2007 and December 2007 forward and also owes \$750.75 in accumulated liquidated damages as a result of untimely submitted benefits contributions for the period of June 2007. Finally, the Company has not obtained a bond.

## INDEPENDENT CONSTRUCTION INDUSTRY COLLECTIVE BARGAINING AGREEMENT

It is hereby stipulated and agreed by and between B.E.M. INTERNATIONAL COASTAL INC. herein called the "EMPLOYER", and the CONSTRUCTION AND GENERAL LABORERS' DISTRICT COUNCIL OF CHICAGO AND VICINITY, herein called the "UNION", representing and encompassing Local Nos. 1, 2, 4, 5, 6, 25, 75, 76, 96, 118, 149, 152, 225, 269, 288, 582, 681, 1001, 1006, 1035, 1092 and encompassing the geographical areas of the counties of Cook, Lake, DuPage, Will, Grundy, Kendall, Kane, McHenry and Boone, in the State of Illinois, together with any other locals which may come within the jurisdiction of the UNION, that:

1. EMPLOYER, in response to the UNION's claim that it represents an uncontroverted majority of each EMPLOYER's laborer employees, acknowledges and agrees that there is no good faith doubt that the UNION has been authorized to and in fact does represent such majority of laborer employees. Therefore, the UNION is hereby recognized as the sole and exclusive collective bargaining representative for the employees now or hereafter employed in the bargaining unit with respect to wages, hours of work and other terms and conditions of employment in accordance with Section 8 of the National Labor Relations Act without the need for a Board certified election.

2. The EMPLOYER affirms and adopts the Collective Bargaining Agreements between the UNION and the Builders Association of Chicago and Vicinity, the Illinois Road Builders Association, the Underground Contractors Association, the Mason Contractors Association of Greater Chicago, the Concrete Contractors Association of Greater Chicago, E.O.C.N.I./C.A.V.C.C., the Lake County Contractors Association, the Contractors Association of Will and Grundy Counties, the Fox Valley General Contractors Association, the Chicago Demolition Contractors' Association, the Illinois Environmental Contractors Association, and all other Associations with whom the District Council or any of its affiliated local unions has a duly negotiated agreement, and re-establishes all agreements from June 1, 1978 together with all amendments thereto. Where no current Association agreement is negotiated, the terms of the most recent expired agreement are incorporated herein with all terms, conditions and dates extended for the duration hereof, until a current agreement exists that shall be incorporated retroactively herein. It is further agreed that where a contractor works in the jurisdiction of any local UNION, then the Association agreement covering the local UNION is herein specifically incorporated in this agreement and shall supersede the standard District Council agreements in the case of any conflict between the District Council agreement and the local Association agreement. Nothing herein shall limit the jurisdiction of this Agreement to less than that provided in this Agreement.

3. The EMPLOYER agrees to pay the amounts that it is bound to pay under said Collective Bargaining Agreements to the HEALTH AND WELFARE DEPARTMENT OF THE CONSTRUCTION AND GENERAL LABORERS' DISTRICT COUNCIL OF CHICAGO AND VICINITY, the LABORERS' PENSION FUND, the CONSTRUCTION AND GENERAL LABORERS' DISTRICT COUNCIL OF CHICAGO AND VICINITY TRAINING TRUST FUND, the CHICAGO AREA LABORERS' EMPLOYERS COOPERATION EDUCATION TRUST (LECET), and to all other designated Union-affiliated benefit funds, and to become bound by and to be considered a party to the Agreements and Declarations of Trust creating said Trust Funds as if it had signed the original copies of the Trust instruments and amendments thereto. The EMPLOYER ratifies and confirms the appointment of the EMPLOYER Trustees who shall, together with their successor Trustees, designated in the manner provided in said Agreements and Declaration of Trusts and jointly with an equal number of Trustees appointed by the UNION, carry out the terms and conditions of the Trust instruments.

The EMPLOYER further affirms and re-establishes that all prior contributions paid to the Welfare, Pension, Training and LECET Funds were made by duly authorized agents of the EMPLOYER at all proper times, for the appropriate periods of time, and that by making said prior contributions the EMPLOYER evidences the intent to be bound by the terms of the Trust Agreement and Collective Bargaining Agreements which were operative at the time the contributions were made, acknowledging the report form to be a sufficient instrument in writing to bind the EMPLOYER to the applicable agreements.

4. Employees covered by this Working Agreement shall retain all the work traditionally performed by members of the UNION. The EMPLOYER agrees that it will not cause any such traditionally performed work to be done at a construction site by employees other than those covered by this Memorandum of Agreement, except with the prior written consent of the UNION. Any EMPLOYER, whether acting as a contractor, general manager or developer, who contracts out or sublets any of the work coming within the jurisdiction of the UNION, shall assume the obligations of any such subcontractor for prompt payment of employees' wages and other benefits, including reasonable attorneys' fees incurred in enforcing the provisions hereof. Notwithstanding any agreement to the contrary, the EMPLOYER'S violation of any provision of this paragraph will give the UNION the right to take any other lawful action, including all remedies at law or equity.

5. In the event of any change in the ownership, management or operation of the EMPLOYER'S business by sale or otherwise, it is agreed that as a condition of such transfer or change that the new owner and management shall be fully bound by the terms and conditions of this Agreement. This Agreement is applicable to all successors and transferees of the EMPLOYER, whether corporate or otherwise. The EMPLOYER shall provide ten (10) days prior notice to the Union of the sale or transfer.

6. The negotiated wage and fringe benefit contribution rates in the various Collective Bargaining Agreements are as follows:

June 1, 1998	\$23.35 Per Hour Wages
	\$ 3.27 Per Hour Health and Welfare Fund
	\$ 2.05 Per Hour Pension Fund
	\$ .10 Per Hour Training Fund (plus additional amounts in Association agreement)
May 31, 1999	\$ .02 Per Hour MCIAF (if applicable in Association agreement)
	\$ .02 Per Hour LECET (to be deducted from MCIAF if LECET contribution is not provided in Association agreement)
	\$ .01 Per Hour Chicago and Safety Council (if applicable)
	In addition, the Employer shall pay other amounts if provided in appropriate Association agreements for industry funds.
June 1, 1999	\$ 1.25 Per Hour increase for the year June 1, 1998 through May 31, 2000 to be allocated between wages and fringe benefits by the Union in its sole discretion.
May 31, 2000	Welfare, Pension, Training and LECET Funds contributions to remain the same unless additional sums are allocated.
June 1, 2000	\$ 1.35 Per Hour increase for the year June 1, 2000 through May 31, 2001, to be allocated between wages and fringe benefits by the Union in its sole discretion.
May 31, 2001	Welfare, Pension, Training and LECET Funds contributions remain the same unless additional sums are allocated.

All additional wage rates, dues, checkoff, and fringe benefits that are negotiated or become effective after May 31, 2001, shall be incorporated in this Memorandum of Agreement.

7. Effective June 1, 1998, all EMPLOYERS covered by this Memorandum of Agreement incorporating the various Collective Bargaining Agreements shall deduct from the wages of employees covered by the said contract, uniform working dues in the amount of 1.5% of gross wages, or as determined by the UNION, and shall remit monthly to the UNION office designated to the EMPLOYER by the District Council the sums so deducted, together with an accurate list of employees from whom wages and dues were deducted and the amounts applicable to each employee, not later than the 15th day of the month following the month for which said deductions were made.

8. It is the intention of the parties that such deductions shall comply with the requirements of Section 302(c)(4) of the Labor Management Relations Act of 1947, as amended and such deductions be made only pursuant to written agreements from each employee on whose account such deductions are made, which assignment shall not be irrevocable for a period of more than one year or beyond the termination date of the Memorandum of Agreement, whichever occurs sooner.

9. This Agreement shall remain in full force and effect through May 31, 2001 (unless an applicable Association agreement is of longer duration) and shall continue thereafter unless there has been given written notice, by registered or certified mail by either party hereto, received no less than sixty (60) nor more than ninety (90) days prior to the expiration date, of the desire to modify or amend this Agreement through negotiations. In the absence of such notice the EMPLOYER and the UNION agree to be bound by the new area-wide negotiated contracts with the various Associations incorporating them into this Agreement and extending this Agreement for the life of the newly negotiated contracts.

10. The EMPLOYER acknowledges and accepts the facsimile signatures on this contract as if they were the original signatures. The EMPLOYER further acknowledges receipt of a copy of the complete Joint Working Agreement. Upon request of the UNION, the EMPLOYER shall execute another agreement that reflects the final contract settlements incorporated herein.

Employers requesting apprentices will be assigned an apprentice from the available JATC apprentice pool. The JATC can limit the number of apprentices to that which is adequate for current needs and which can be properly trained by the program. Employers may recall their laid off apprentices to work, provided that the Employer complies with the ratios set forth in Paragraph 5. All apprentices must report their hours weekly to the JATC. All apprentices will be tested for the presence of illegal substances at the time they enter the apprentice program.

**Paragraph 3. WELFARE:** Beginning the period from June 1, 2006 to May 31, 2007, the Employer agrees to make Health and Welfare contributions of \$7.46 per hour for each hour worked by all Employees covered by this Agreement in addition to the wages herein stipulated. This \$7.46 per hour shall be paid to the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity or a designated appointee at the end of each month.

That for the periods June 1, 2007 to May 31, 2008; June 1, 2008 to May 31, 2009, June 1, 2009 to May 31, 2010; that on May 1 of each year, if able, but not later than June 1, the Union in its sole discretion, shall determine the amount of additional contributions to Welfare and/or Pension and Training and other funds to be allocated from the economic package for that year. (See Article VIII, Paragraph 1)

The Employer agrees to be bound by the Agreements and Declarations of Trust establishing the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity, as well as any amendments thereto, and agrees to be bound by all actions taken by the Trustees of that fund pursuant to the Agreements and Declarations of Trust.

**Paragraph 4. PENSION:** Beginning June 1, 2006 the Employer agrees to make a pension contribution of \$4.84 per hour for each hour worked by all Employees covered by this Agreement in addition to the wages and welfare payments herein stipulated. This \$4.84 per hour shall be paid to the Laborers' Pension Fund or to a designated appointee at the end of each month.

That for the periods June 1, 2007 to May 31, 2008; June 1, 2008 to May 31, 2009, June 1, 2009 to May 31, 2010; that on May 1 of each year, if able, but not later than June 1, the Union in its sole discretion, shall determine the amount of additional contributions to Welfare and/or Pension and Training and other funds to be allocated from the economic package for that year. (See Article VIII, Paragraph 1)

The Employer agrees to be bound by the Agreements and Declarations of Trust establishing the Laborers' Pension Fund, as well as any amendments thereto, and agrees to be bound by all actions taken by the Trustees of that fund pursuant to the Agreements and Declarations of Trust.

The parties agree that the Employer shall make lump sum contributions to employee fringe benefit accounts, administered by the Trustees on behalf of each employee. It is further agreed that such contribution shall be accompanied by a breakdown of payment according to appropriate benefits.

The Trustees of the Welfare Fund and the Trustees of the Pension Fund shall, among other things, have authority to determine the type and amount of benefits to be provided in each of said funds, the eligibility rules governing entitlement to benefits, and whether and to what extent benefits are to be provided for covered Employees.

The failure of the Employer to contribute to the said Welfare or Pension Funds when the same is established, as provided herein, shall for the purposes of the remedies the Union may pursue, be deemed the same as the failure of

the Employer to pay wages, and the Union shall be permitted to remove workers whom they represent for non-payment of such contributions, anything to the contrary in this Agreement notwithstanding.

A grace period of thirty (30) days shall be granted for Employers to submit reports and contributions as provided. Said reports and contributions not received during this grace period shall be assessed liquidated damages amounting to ten (10%) percent of the amount of the contributions which are owed. The Employer acknowledges that the liquidated damages shall be used to defer administrative costs arising by said delinquency and acknowledges the costs to be actual and substantial, though difficult to ascertain. However, the Employer acknowledges these costs to be at a minimum of ten (10%) percent, waiving the necessity of any additional proof thereof. In addition, the delinquent contributions shall bear interest at a maximum legal rate of interest per annum from the due date until they are paid.

Further, in the event the Trustees place the account in the hands of legal counsel for collection, the delinquent Employer shall be liable for reasonable attorneys' fees, and for all reasonable costs incurred in the collection process, including court fees, audit fees, etc.

Reasonable attorneys' fees shall mean: All reasonable attorneys' fees in the amounts for which the Trustees become legally bound to pay, including recovery of liquidated damages, interests, audit costs, filing fees, and any other expenses incurred by the Trustees.

The Trustees of the aforementioned Welfare and Pension Funds and the Union shall have the authority to audit the books and records of a participating Employer, either directly or through their authorized representative, whenever such examination is deemed necessary for the purpose of compliance with the provisions of this Agreement.

Each participating Employer shall make its books and records available to the Trustees for such purpose. In the event the audit discloses that the Employer, during the period of the audit, has underpaid its contributions and/or wages, the Employer shall be liable for the costs of the examination, including but not limited to, audit fees and reasonable attorneys' fees. The Trustees' authority to waive any costs shall be governed by the terms of the Trust Agreement.

**Paragraph 5. Section 415 Excess Benefit Fund.** A Section 415 Excess Benefit Fund shall be established for the purpose of providing alternative benefit to any employees of the Employer who become unable to receive the entire amount of the accrued pension benefits to which they would be entitled under one or more of the pension plans sponsored by their Employer because of limitations established by Section 415 of the Internal Revenue Code. The Employer may be required and directed by the Board of Trustees of the Excess Benefit Fund to contribute a portion of its agreed-upon "pension" contribution to the Section 415 Excess Benefit Fund and shall not increase the Employer's cost beyond the amount that the Employer is obligated to contribute to the Laborers' Pension Fund and that the funding of the Section 415 Excess Benefit Fund shall be fully tax deductible to the Employer for Federal Income Tax purposes. The Employer hereby agrees that the Board of Trustees of any such Section 415 Excess Benefit Fund shall be authorized to determine each year the amount that will be contributed by the Employer and the amount to be credited to the account of any eligible retiree for payment in lieu of accrued benefits that would exceed the limits set by Section 415 of the Internal Revenue Code.

**Paragraph 6. SUPERVISORS:** To the extent permissible by the Internal Revenue Service or any Federal Act, and for the purposes of Paragraphs 3 and 4 of Article VIII of this Agreement only, the bargaining unit shall also include those persons in the employ of an Employer who are supervisors, as defined in the Labor Management

Relations Act, as amended; and who at one time were Employee members of the bargaining unit herein on whose behalf contributions were required to be made to the trust funds described in the aforesaid Paragraph 3 and 4 of Article VIII hereof.

**Paragraph 7.** Appointment of Trustees to the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity and the Laborers' Pension Fund. The parties agree that the Employer-appointed trustees of the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity and the Laborers' Pension Fund and training and apprentice funds to which Employers are required to contribute shall be appointed solely by Employer associations that enter into collective bargaining agreements with the Union requiring contributions to such funds ("Signatory Associations"). It is further agreed that the Trust Agreements establishing such funds shall be amended to replace any Employer association that appoints a trustee and does not have a labor agreement with the Union, replacing it with a Signatory Association. The union and Signatory Associations shall meet within 30 days of the effective dates of agreements covering a majority of Fund participants to review the appointment of Employer Trustees of the funds. It is agreed that the numbers of hours contributed by Employers represented by Signatory Associations compared to contributions by other Signatory Associations during the preceding year shall be the basis for assigning the number of trustee appointments. If such parties are unable to agree on the Signatory Associations to be responsible for appointments and the number of appointments to be made by each Signatory Association the dispute shall be submitted to expedited arbitration under Subpart D of the Policies and Procedures of the Federal Mediation and Conciliation Service.

**Paragraph 8.** Article III Section 2 of the trust agreements of the Health and Welfare Department of Construction and General Laborers' District Council of

Chicago and Vicinity and the Laborers' Pension Fund shall be amended to include the following: "Association-appointed Trustees must be full-time employees of Contributing Employers within the Association's membership. A Contributing Employer shall be defined as an Employer that has employed an average of five (5) or more Laborers performing bargaining unit work for whom contributions have been made per month in each of the previous three (3) calendar years."

**Paragraph 9.** The Employer agrees to bound by the Agreements and Declarations of Trust, as well as any amendments thereto, establishing the Chicagoland Laborers' Vacation Fund, a jointly-trusted vacation plan established for the purpose of providing income to members during their winter layoffs. Contributions to the Fund will be allocated in the Union's sole discretion from the total economic increase.

**Paragraph 10.** The Employer agrees to bound by the Agreements and Declarations of Trust, as well as any amendments thereto, establishing the Chicagoland Laborers' Annuity Fund, a jointly-trusted defined contribution plan providing a supplemental retirement benefit. Contributions to the Fund will be allocated in the Union's sole discretion from the total economic increase.

**Paragraph 11. Special Rules for Bonding.** An employer that is owned or managed, in whole or part, by an individual who currently has or previously had in the last ten (10) years ownership or principal managerial responsibility for another contributing employer that currently is or ceased doing business when delinquent to the Funds shall be required to post for the benefit of the Funds an additional cash bond or obtain a surety bond from a Fund-approved insurer in an amount equal to twice the amount of the other contributing employer's delinquency. This amount may be adjusted by the Benefit Fund Trustees for each individual employer. This bond shall be in addition to and separate from the bond required elsewhere in this Agreement.

**Paragraph 12. OUT OF TOWN WORK.** When Laborers who reside or work in the nine-county geographic area covered by this Agreement are asked to work at locations outside these nine counties, the Employer shall continue to report and pay benefits for all hours worked outside the nine counties. If the work performed is covered under a labor agreement with the Laborers' International Union of North America or its affiliates, the Employer shall report and pay the benefit contributions to the fringe benefit fund identified, and the contribution rates specified, under that labor agreement. If the work performed is not covered under a labor agreement with the Laborers' International Union of North America or its affiliates, then the Employer shall report and pay the benefit contributions to the fringe benefit funds identified, and the contribution rates specified, under this Agreement.

#### Article IX BONDING

All Employers shall procure, carry and maintain a surety bond in form and amount satisfactory to the Union, but not less than in the principal sum of \$5,000.00, to guarantee payment of wages, Pension and Welfare Trust contributions, during the term of this Agreement.

The Employer shall give notice to the Union and the appropriate Fund Office in writing not later than ten (10) days after the occurrence of any of the following events relating to the Employer, occurring after the date hereof:

- (a) Formation of Partnerships;
- (b) Termination of business;
- (c) Change of name commonly used in business operation;
- (d) Change in form of business organization;
- (e) Incorporation of business;
- (f) Dissolution of corporation;

- (g) Name and business organization of successor;
- (h) Admission to or withdrawal from any association operating as a multi-Employer bargaining unit.

#### Article X INDUSTRY FUND

**Paragraph 1.** Each Employer shall pay the amount of seven cents (\$.07) for each hour worked by those employees covered under this Agreement to the CCA Industry Advancement Fund ("Industry Fund") and shall also pay the amount of six cents (\$.06) for each hour worked by those employees covered under this Agreement to the Chicago-area Laborers-Employees Cooperation Education Trust ("LECET") and shall also pay the amount of twelve cents (\$.12) for each hour worked by those employees to the Laborers' District Council Labor-Management Cooperation Committee ("LDC/LMCC").

**Paragraph 2.** The Employer agrees to be bound by the Agreements and Declarations of Trust establishing the Industry Fund, LECET, and the LDC/LMCC, and all amendments thereto, and agrees to be bound by all actions taken by the Trustees of those funds pursuant to the Agreement and Declaration of Trust of those funds.

**Paragraph 3.** Should any Employer fail to make payments to the Industry Fund, LECET Fund or LDC/LMCC, the Employer shall be liable for and pay, in addition to the delinquent contributions, interest at a rate of ten percent (10%) per year for such delinquencies, and to pay all costs of collection, including audit expenses and attorney fees and costs.

## ARTICLE VII

### FUNDING PENSION PLAN BENEFITS

Section I. IN GENERAL. In order to fund the benefits provided under the Pension Plan, each Employer, for the period that it is obligated by a Written Agreement, shall make contributions to the Trustees at the times required by that agreement. The rate of contributions shall be determined by the applicable Collective Bargaining Agreement or Participation Agreement, together with any amendments, supplements or modifications thereto. Notwithstanding the preceding sentence, if an Employer is required to make contributions by reason of a Participation or other Written Agreement that is not a Collective Bargaining Agreement, the amount of its contributions shall be the same as the amount required by the Collective Bargaining Agreement in effect between the Employer Association and the Union which covers Employees performing similar work. No

Employee shall be permitted to contract or otherwise agree with or permit his Employer to provide wage or benefit payments which do not conform with the amount of contributions required under the provisions of a Collective Bargaining Agreement or Participation Agreement and any such contract or agreement shall be null and void. It shall not be a defense to any claim by the Trustees or an Employee for payment of delinquent contributions from an Employer that such Employer has entered into an agreement with any Employee purporting to waive the Employee's right to strict compliance with the provisions of the applicable Collective Bargaining Agreement or a Participation Agreement. All contributions shall be paid in the manner and form required by the Trustees.

Section 2. DEFAULT IN PAYMENT OF CONTRIBUTIONS. Nonpayment by an Employer of any contributions when due shall not relieve any other Employer of his obligation to make payments. The Trustees may take any action necessary to enforce payment of the contributions and penalties due hereunder, including, but not limited to, proceedings at law and in equity. Any such action shall not prejudice the Union in any action it may wish to take on account of such nonpayment. The Trustees are authorized to establish a reasonable and lawful grace period by which contributions must be received; Employers making contributions that are not received before the expiration of said period and any Employer making late payments due under an installment agreement shall be assessed liquidated damages of 10% of the amount of the contributions which are owed. All Employers party to or otherwise bound by this Agreement acknowledge that the

liquidated damages will be used to defer administrative costs arising by said delinquency and acknowledge the costs to be actual and substantial though difficult to ascertain; however the Employers acknowledge these costs to be at a minimum of 10%, waiving the necessity of any additional proof thereof. In addition, the delinquent contributions and any payments owed by an Employer pursuant to an installment agreement, shall bear interest up to the prime rate of interest plus two points charged by the Fund's custodian bank (or any other bank selected by the Trustees) or such other lawful amount as determined by the Trustees from the due date until totally satisfied. The Trustees are hereby given the power and authority to delegate the collection of contributions to a Collection Committee, which, in its discretion, may assess a lesser or greater amount or waive or suspend payment of liquidated damages, interest, audit fees or investigative costs in accordance with rules and procedures adopted by the Collection Committee and to compromise claims for delinquent contributions and related liabilities and collection costs where appropriate to settle cases favorably for the Fund. The Collection Committee may include trustees of the Laborers' Welfare Fund as members of the Committee.

In the event an Employer party to this Agreement or otherwise bound thereby becomes delinquent in his contributions or an installment agreement, or fails to post a bond as required, said delinquent Employer shall be liable for reasonable attorneys' fees and for all reasonable costs incurred in the collection process, including court fees, audit fees, investigative costs, etc. The term "reasonable attorneys' fees" as used herein shall mean all

attorneys' fees in the amounts for which the Trustees become legally obligated including recovery of liquidated damages, audit costs, filing fees and any other expenses incurred by the Trustees.

The Trustees are hereby given the power and authority, in their discretion, to require any Employer to deposit with the Trustees, in advance, as a guarantee for the payment of monthly contributions, an amount equal to three (3) times the monthly contributions of such Employer, as estimated by the Trustees. At the option of the Trustees the Employer shall furnish the Trustees, in lieu of any cash deposit, a bond in an amount not less than Five Thousand Dollars (\$5,000.00) or in an amount consistent with the terms of the current collective bargaining agreements. In the event an Employer is repeatedly delinquent in its contribution payments to the Pension Fund, the Trustees have the power and authority to require that Employer to purchase a bond in excess of \$5,000.00 or the amounts set forth in the current collective bargaining agreements, in an amount equal to three (3) times the highest monthly contributions of the Employer in the twelve months prior to any delinquency. The Trustees, in their discretion, may also waive the requirement of a cash deposit or a surety bond in lieu of a personal guaranty when such waiver is warranted.

Section 3. REPORT ON CONTRIBUTIONS AND PRODUCTION OF RECORDS. The Employers shall make all reports on contributions required by the Trustees. Each Employer shall promptly furnish to the Trustees, on demand, the names of its employees, their social security numbers, the hours worked by each employee, and such

other information as the Trustees may reasonably require in connection with the administration of the Trust and Pension Plan. The Trustees may at any time have an audit made by an independent certified public accountant or its representatives of the payroll of any Employer in connection with the said contributions and/or reports. All Employers shall be required to maintain records in compliance with procedures developed and communicated by the Administrator from the beginning of such Employer's participation in the Pension Fund forward unless given written authorization by the Administrator upon request to destroy said record. The Administrator shall require the Employer to designate the classification of all of his employees and if the Employer fails to do so, the Trustees shall conduct an investigation for the purpose of determining the classification of such employees and the results of said investigation shall be conclusive. Attached hereto as Addendum A are the current collection policies concerning Scheduling of Audits and Retention and Production of Employer Records adopted by the Trustees.

## ARTICLE VIII

### FILING CLAIMS AND REVIEW OF DENIALS OF CLAIM

Section 1. FILING OF A CLAIM. Claims for the payment of any benefits provided by the Pension Plan shall be filed, in writing, in accordance with the Rules and Regulations set forth in Article 7 of the Pension Plan.

## **ADDENDUM A**

### **RECORDS REQUIRED TO BE RETAINED BY EMPLOYERS AND PRODUCED FOR AUDITS**

The following records shall be maintained and retained by all contributing employers to the Benefit Funds for at least six years from the contribution date and shall be produced for inspection and copying by an auditor of the Benefit Funds upon written request:

1. Quarterly and annual payroll tax returns, including, but not limited to, federal quarterly form 941's, federal annual form W-2's, W-3's, 940's, 1099's and state quarterly unemployment returns (form UC-3).
2. Payroll journals and/or registers which include or identify employees' social security numbers, hourly rates of pay, hours worked and the time period in which the work was performed.
3. Individual earnings records for all employees of the employer not shown on payroll journals or registers, including social security number and work classification (or code or clock or ID number), hourly rates of pay, hours worked and the time period in which the work was performed.
4. Cash disbursement journals and general ledgers.
5. Copies of all contribution reports and proof of payment (canceled checks or records of canceled checks) of all contributions to the Laborers' Funds and to all other trade union fringe benefit funds to which the employer contributed.
6. Copies of all dues records and proof of payment (canceled checks or records of canceled checks) of all union dues submitted to the Laborers' District Council.
7. Records showing all amounts paid to all persons or entities that performed work for the employer as independent contractors or subcontractors, if any, including copies of any federal form 1099's issued by the employer.
8. Daily time records filed by employees or supervisors.
9. Source documents and lists of job codes and equipment codes.
10. Certified payrolls for public sector jobs where such payrolls are required.
11. Employee personnel files including, but not limited to, last known addresses and telephone numbers, any documents which demonstrate employees' job classifications and/or status as an apprentice, journeyman, foreman, superintendent, or supervisor. (Confidential medical records or other private records not relevant to the establishment of an employee's job classification shall not be disclosed.)

12. Bank account statements and canceled checks from any account used in conjunction with the employer's business.

13. If records of all hours worked, rates of pay and classifications are not provided in the records listed in items 1 through 10, the employer shall maintain monthly lists of all employees not shown on payroll records, showing Social Security number and work classification (or code or clock or ID number), rates of pay and hours worked.

Honor Roll Employers shall be required only to produce basic records needed by the Benefit Funds' auditors to do an audit, specifically items 1 through 7 above. However, if an initial examination of such limited records discloses significant record keeping errors or failures to contribute, the auditor may request additional records listed above. In the absence of evidence of a deliberate failure by an Honor Roll Employer to contribute on behalf of a bargaining unit employee, the rebuttable presumptions provided for in the attached Policy for Retention and Production of Employer Records shall not apply to such Honor Roll Employer.

Notwithstanding the foregoing, the Collection Committee or the Director of the Field Department may, in their discretion, determine that a full audit shall be done of any employer or that, where a sampling audit is to be conducted, specific records shall be produced. The judgment of the trustees in interpreting and applying this policy shall be conclusive and binding on all parties.

Adopted January 9, 2002

**LABORERS' PENSION AND WELFARE FUNDS**

**POLICY FOR RETENTION AND PRODUCTION OF EMPLOYER RECORDS**

As Adopted by the Boards of Trustees  
Effective as of April 1, 2006

WHEREAS, Section 209 of the Employee Retirement Income Security Act of 1974 , as amended ("ERISA"), 29 U.S.C. Section 1059, requires employers obligated to contribute to employee benefit funds to maintain records with respect to its employees which are sufficient to determine benefits due to such employees of which may become due to them; and

WHEREAS, the Trustees of the Laborers' Pension Fund and the Trustees of the Health and Welfare Department of the Construction and General Laborers' District Council of Chicago and Vicinity (collectively, the "Benefit Funds") have the authority under their respective Trust Agreements to establish rules, regulations and policies regarding records which must be maintained by employers in order to administer the Benefit Funds; and

WHEREAS, the Trustees of the Benefit Funds have found that most contributing employers maintain proper records and make all required contributions to the Benefit Funds, nevertheless, there are employers who are bound by the Trust Agreements of the Benefit Funds who fail to maintain records which are adequate for the Funds to determine whether proper contributions have been made on behalf of eligible employees and that some of such employers do so deliberately in order to avoid their obligations to make such payments; and

WHEREAS, the practices of employers who fail to maintain records sufficient to enable the Benefit Funds to conduct thorough payroll audits cause their employees to lose valuable pension and welfare benefits and cause the Benefit Funds to lose contractually required contributions and investment earnings on those contributions; and

WHEREAS, the practices of employers who fail to maintain adequate records cause the Benefit Funds to incur substantial additional administrative and legal expenses in order to determine proper amounts owed to the Funds by such employers; and

WHEREAS, enforcement of a policy specifying the records required to be maintained and produced increases the ability of the Funds to prove the contributions owed by delinquent employers and thereby to provide proper credit to the employees and their beneficiaries;

NOW THEREFORE, the Trustees resolve that the following policies are adopted by the Benefit Funds effective as of March 1, 2002:

1. Except as otherwise provided herein, all contributing employers to the Benefit Funds shall maintain and make available for inspection and copying by an auditor of the Benefit Funds the records listed on Appendix A, attached hereto.
2. Any employer obligated to contribute to the Benefit Funds who fails to maintain and make available for inspection and copying to an auditor of the Benefit Funds the requisite records listed on Appendix A shall bear the burden of proof with respect to the exclusion of any employee from coverage by the collective bargaining agreement with the Union. In those cases where an employer asserts that an employee is excluded because he/she is a member of another bargaining unit, the employer must submit tangible evidence of that fact, e.g., a union membership card, contribution records maintained for the benefit funds of the other bargaining unit, commercial drivers' license if it is asserted that an employee is a truck driver rather than a laborer and workers' compensation policies, forms and applications listing an employee's job classification or other business records. The affidavit of an employer's representative or officer unsupported by documentary evidence shall not be sufficient to meet the employer's burden of proof. Affidavits solicited and obtained ex parte by an employer's representative from employees, for which there is no corroborative evidence in the form of records maintained in the ordinary course of business, shall not be sufficient to meet the employer's burden of proof.
3. When an employer has failed to maintain or make available the requisite records, there shall be a rebuttable presumption that any employee listed as a possible laborer by an auditor, Field Representative or attorney representing the Benefit Funds was a laborer. There shall also be rebuttable presumptions concerning the hourly rate and number of hours worked as follows: (a) that the employee was paid only \$10.00 per hour if no record of wage rates was made by the employer, and/or (b) that the employee worked 72 hours per week if no record of the number of hours was maintained; whichever of these presumptions results in the higher amount of contributions shall be applied. When evidence exists that a different hourly rate was paid to employees of an employer that failed to maintain the required records, at the discretion of the Director of the Field Department, a different hourly rate may be presumed for purposes of determining the amount of contributions owed by the employer. If that evidence shows that the employer paid a rate lower than \$10.00 per hour to any employees doing bargaining unit work, then that lower rate shall be presumed to be the actual rate paid to all employees for whom adequate records were not kept. Similarly, where evidence exists of a different number of hours worked, the Director may apply a different number of hours for determining the contributions owed, and this number of hours worked shall be presumed correct. All wages computed as provided in this paragraph shall be presumed to be paid as straight time wages regardless of the number of hours worked unless the employer has provided documentation, in the form required by the terms of this policy, showing that it followed the requirements of the Fair Labor Standards Act and/or the applicable collective bargaining agreement as to the payment of overtime.
4. An employer that fails to maintain the requisite records and fails to cooperate with the Trustees in establishing the paid wage rates, actual hours of work and contributions owed to the Benefit Funds shall be liable to the Benefit Funds and any related organizations, for the contribution amounts determined as provided herein and also for 20% liquidated damages, compound interest at the rate of prime plus 2 points (as determined by the Administrator), auditor's and attorney's fees and any other expenses of collection including investigative costs.

## **LABORERS' PENSION AND WELFARE FUNDS**

### **POLICY FOR SCHEDULING OF AUDITS**

As Adopted by The Boards of Trustees  
Effective as of April 1, 2006

Contributing employers to the Laborers' Pension Fund and the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity (collectively, the "Benefit Funds"), shall be audited periodically in accordance with the procedures adopted by the Collection Committee of the Benefit Funds. The Director of the Field Department, in cooperation with the Benefit Funds' auditors, shall prepare a schedule for auditing contributing employers in accordance with the following procedures.

Two types of audits shall be conducted: "full audits" in which payroll and other records on all employees are examined and "sampling audits" in which a selection of payroll and other records are tested to enable the compliance auditor to make a reasonable determination that there are no delinquencies. A sampling audit should include a review of all types of records (e.g. payroll records, tax records, cash disbursement records, reports to other benefit funds, etc.) Where a sampling audit discloses delinquencies or related record discrepancies, a full audit shall be conducted.

Employers shall be scheduled for either full audits or sampling audits in groups based upon the contribution histories of the employers. Either a sampling or full audit shall be conducted at least once every five (5) years. Any employer that fails to schedule an audit and submit records for review within 45 days from the date of the audit request will be liable for all costs of compelling and enforcing the audit request. The following procedures shall be used:

#### **AUDIT PERIOD**

1. **New Employers.** New employers shall be scheduled for audits within the first year in which contributions to the Benefit Funds are required.

2. **Honor Roll Employers.** Employers with a history of adequate record keeping and timely, payments to the Benefit Funds ("Honor Roll Employers"), shall be required to submit to audits every three (3) to five (5) years. Following an audit showing adequate record keeping and correct payments, such an employer shall be designated an Honor Roll Employer and shall be selected randomly for an audit between the third and fifth year thereafter. (Such employers may opt for a scheduled audit every three years.) An inadvertent shortage of no more than the greater of \$1000 or two percent (2%) of required contributions determined on a full audit covering three or more years of contributions to the Benefit Funds shall not disqualify an employer from inclusion in this group.

3. **Other Contributing Employers.** Employers that are not classified as New or Honor Roll Employers or who have been assessed significant delinquencies to the Benefit Funds or any of the ancillary funds to which contributions are owed pursuant to the collective bargaining agreements of the Laborers' District Council shall be scheduled for full audits at least once every three (3) years.

**4. Employers Subject to Special Audits.** At the discretion of the Director of the Field Department full audits of employers obligated to contribute to the Benefit Funds may be conducted at any time based upon information concerning possible delinquencies, e.g., failure to file monthly remittance reports, failure to pay contractually required wage rates, information concerning a possible closing or sale of the business, information that the employer is operating an alter ego or similar bases suggesting possible delinquencies.

#### **FULL AND SAMPLING AUDITS**

**1. New Employers.** If there is a sufficient number of employees of a New Employer, the auditor of the Benefit Funds may do a sampling audit to determine if the employer is maintaining accurate records and making required contributions, otherwise the auditor will do a full audit. An important purpose of audits for new employers is to inform employers of the procedures for contributing to the Benefit Funds and the requisite records to be maintained. \*

**2. Honor Roll Employers.** Sampling audits shall be used for Honor Roll Employers if they have sufficient employees to warrant use of sampling methods. If a sampling audit discloses inaccurate or incomplete record keeping or evidence of significant delinquencies, a full audit shall be done.

**3. Other Contributing Employers.** Full audits shall be conducted if employers are not qualified as New or Honor Roll Employers.

**4. Notwithstanding the foregoing,** the Collection Committee or the Director of the Field Department may, in their discretion, determine that a full audit shall be done of any employer or that, where a sampling audit is to be conducted, specific records shall be produced.\*

\* For information concerning the requisite records to be maintained, see the Laborers' Pension and Welfare Funds Policy for Retention and Production of Employer Records, effective as of April 1, 2006 and the Records Required to be Retained By Employers and Produced for Audits adopted January 9, 2002.

## ARTICLE VI EMPLOYER CONTRIBUTIONS

Section 1. IN GENERAL. In order to fund the Benefits provided for by this Agreement, each Employer, for the period that it is obligated by a Written Agreement, shall make contributions to the Trustees pursuant to regulations established by the Trustees at the times required by that agreement. The rate of contributions shall be determined by the applicable Collective Bargaining Agreements or Participation Agreements, together with any amendments, supplements or modifications thereto. Notwithstanding the preceding sentence, if an Employer is required to make contributions by reason of a Participation Agreement or other Written Agreement that is not a Collective Bargaining Agreement, the amount of its contributions shall be not less than the amount required by the Collective Bargaining Agreement in effect between the Employer Association and the Union having jurisdiction over the geographic area in which the covered Employees perform their work. No Employee shall be permitted to contract or otherwise agree with or permit his Employer to provide wage or benefit payments which do not conform with the amount of contributions required under the foregoing provisions of this Section and any such contract or agreement shall be null and void. It shall not be a defense to any claim by the Trustees or an Employee for payment of delinquent contributions from an Employer that such Employer had entered into an agreement with any Employee purporting to waive the Employee's right to strict compliance with the provisions of the applicable Collective Bargaining Agreement or a Participation Agreement. All contributions shall be paid in the manner and form required by the Trustees.

Section 2. DEFAULT IN PAYMENT OF CONTRIBUTIONS. Nonpayment by an Employer of any contributions when due shall not relieve any other Employer of his obligation to make payments. The Trustees may take any action necessary to enforce payment of the contributions and penalties due hereunder, including, but not limited to, proceedings at law and in equity. Any such action shall not prejudice the Union in any action it may wish to take on account of such nonpayment. The Trustees are authorized to establish a reasonable and lawful grace period by which contributions must be received; Employers making contributions that are not received before the expiration of said period and any Employer making late payments due under an installment agreement shall be assessed liquidated damages of 10% of the amount of the contributions which are owed. All Employers party to or otherwise bound by this Agreement acknowledge that the liquidated damages will be used to defer administrative costs arising by said delinquency and acknowledge the costs to be actual and substantial though difficult to ascertain; however the Employers acknowledge these costs to be at a minimum of 10% waiving the necessity of any additional proof thereof. In addition, the delinquent contributions and any payments by the Employer pursuant to an installment agreement, shall bear interest, up to the prime rate plus two points, charged by the Fund's custodian bank (or any other bank selected by the Trustees) or such other lawful amount as determined by the Trustees from the due date until totally satisfied. The Trustees are hereby given the power and authority, in their discretion, to assess a lesser amount or to waive or suspend payment of liquidated damages, interest, audit fees or investigative costs in accordance with rules and procedures adopted by the Collection Committee of the Board of Trustees and to compromise claims for delinquent contributions and related liabilities and collection costs where appropriate to settle cases favorably for the Welfare

Fund. The Collection Committee may include trustees of the Laborers' Pension Fund as members of such Collection Committee.

In the event an Employer party to this Agreement or otherwise bound thereby becomes delinquent in his contributions or an installment agreement, or fails to post a bond as required, or refuses to provide the records required to be kept by contributing employers or submit to an audit, said delinquent Employer shall be liable for reasonable attorneys' fees and for all reasonable costs incurred in the collection process, including but not limited to, court fees, audit fees and investigative costs. The term "reasonable attorneys' fees" as used herein shall mean all attorneys' fees in the amounts for which the Trustees become legally obligated for actions seeking delinquent contributions, to compel an audit, or for recovery of liquidated damages, audit costs, filing fees and any other expenses incurred by the Trustees.

The Trustees are hereby given the power and authority in their discretion, to require any Employer to deposit with the Trustees, in advance, as a guarantee for the payment of monthly contributions, an amount equal to three (3) times the monthly contributions of such Employer, as estimated by the Trustees. At the option of the Trustees the Employer shall furnish the Trustees in lieu of any cash deposit a bond in an amount not less than Five Thousand Dollars (\$5,000.00), or in an amount consistent with the terms of the current Collective Bargaining Agreement to which the Employer is subject. In the event an Employer is repeatedly delinquent in its contribution payments to the Welfare Fund, the Trustees have the power and authority to require that Employer to purchase a bond in excess of \$5,000.00 or the amounts set forth in the current Collective Bargaining Agreements in an amount equal to three (3) times the highest monthly contributions of the Employer in the twelve months prior to any delinquency. The Trustees, in their discretion, may also waive the requirement of a cash deposit or a surety bond in lieu of a personal guaranty when such waiver is warranted.

### Section 3. REPORT ON CONTRIBUTIONS AND PRODUCTION OF RECORDS.

The Employers shall make all reports on contributions required by the Trustees. Each Employer shall promptly furnish to the Trustees, on demand, the names of its employees, their social security numbers, the hours worked by each employee, and such other information as the Trustees may reasonably require in connection with the administration of the Trust. The Trustees may at any time have an audit made by an independent accounting firm of the payroll of any Employer in connection with the said contributions and/or reports. All Employers shall be required to maintain records in compliance with procedures from the beginning of such Employer's participation in the Trust until given written authorization by the Administrator, upon request, to destroy said records. The Administrator shall require the Employer to designate the classification of all of his employees and if the Employer fails to do so, the Trustees shall conduct an investigation for the purpose of determining the classification of such employees and the results of said investigation shall be conclusive. Attached hereto as Addendum A are the current collection policies concerning the Scheduling of Audits and Retention and Production of Employer Records adopted by the Trustees.

## **ADDENDUM A**

### **RECORDS REQUIRED TO BE RETAINED BY EMPLOYERS AND PRODUCED FOR AUDITS**

The following records shall be maintained and retained by all contributing employers to the Benefit Funds for at least six years from the contribution date and shall be produced for inspection and copying by an auditor of the Benefit Funds upon written request:

1. Quarterly and annual payroll tax returns, including, but not limited to, federal quarterly form 941's, federal annual form W-2's, W-3's, 940's, 1099's and state quarterly unemployment returns (form UC-3).
2. Payroll journals and/or registers which include or identify employees' social security numbers, hourly rates of pay, hours worked and the time period in which the work was performed.
3. Individual earnings records for all employees of the employer not shown on payroll journals or registers, including social security number and work classification (or code or clock or ID number), hourly rates of pay, hours worked and the time period in which the work was performed.
4. Cash disbursement journals and general ledgers.
5. Copies of all contribution reports and proof of payment (canceled checks or records of canceled checks) of all contributions to the Laborers' Funds and to all other trade union fringe benefit funds to which the employer contributed.
6. Copies of all dues records and proof of payment (canceled checks or records of canceled checks) of all union dues submitted to the Laborers' District Council.
7. Records showing all amounts paid to all persons or entities that performed work for the employer as independent contractors or subcontractors, if any, including copies of any federal form 1099's issued by the employer.
8. Daily time records filed by employees or supervisors.
9. Source documents and lists of job codes and equipment codes.
10. Certified payrolls for public sector jobs where such payrolls are required.
11. Employee personnel files including, but not limited to, last known addresses and telephone numbers, any documents which demonstrate employees' job classifications and/or status as an apprentice, journeyman, foreman, superintendent, or supervisor. (Confidential medical records or other private records not relevant to the establishment of an employee's job classification shall not be disclosed.)

12. Bank account statements and canceled checks from any account used in conjunction with the employer's business.

13. If records of all hours worked, rates of pay and classifications are not provided in the records listed in items 1 through 10, the employer shall maintain monthly lists of all employees not shown on payroll records, showing Social Security number and work classification (or code or clock or ID number), rates of pay and hours worked.

Honor Roll Employers shall be required only to produce basic records needed by the Benefit Funds' auditors to do an audit, specifically items 1 through 7 above. However, if an initial examination of such limited records discloses significant record keeping errors or failures to contribute, the auditor may request additional records listed above. In the absence of evidence of a deliberate failure by an Honor Roll Employer to contribute on behalf of a bargaining unit employee, the rebuttable presumptions provided for in the attached Policy for Retention and Production of Employer Records shall not apply to such Honor Roll Employer.

Notwithstanding the foregoing, the Collection Committee or the Director of the Field Department may, in their discretion, determine that a full audit shall be done of any employer or that, where a sampling audit is to be conducted, specific records shall be produced. The judgment of the trustees in interpreting and applying this policy shall be conclusive and binding on all parties.

**LABORERS' PENSION AND WELFARE FUNDS**

**POLICY FOR RETENTION AND PRODUCTION OF EMPLOYER RECORDS**

As Adopted by the Boards of Trustees  
Effective as of April 1, 2006

WHEREAS, Section 209 of the Employee Retirement Income Security Act of 1974 , as amended ("ERISA"), 29 U.S.C. Section 1059, requires employers obligated to contribute to employee benefit funds to maintain records with respect to its employees which are sufficient to determine benefits due to such employees of which may become due to them; and

WHEREAS, the Trustees of the Laborers' Pension Fund and the Trustees of the Health and Welfare Department of the Construction and General Laborers' District Council of Chicago and Vicinity (collectively, the "Benefit Funds") have the authority under their respective Trust Agreements to establish rules, regulations and policies regarding records which must be maintained by employers in order to administer the Benefit Funds; and

WHEREAS, the Trustees of the Benefit Funds have found that most contributing employers maintain proper records and make all required contributions to the Benefit Funds, nevertheless, there are employers who are bound by the Trust Agreements of the Benefit Funds who fail to maintain records which are adequate for the Funds to determine whether proper contributions have been made on behalf of eligible employees and that some of such employers do so deliberately in order to avoid their obligations to make such payments; and

WHEREAS, the practices of employers who fail to maintain records sufficient to enable the Benefit Funds to conduct thorough payroll audits cause their employees to lose valuable pension and welfare benefits and cause the Benefit Funds to lose contractually required contributions and investment earnings on those contributions; and

WHEREAS, the practices of employers who fail to maintain adequate records cause the Benefit Funds to incur substantial additional administrative and legal expenses in order to determine proper amounts owed to the Funds by such employers; and

WHEREAS, enforcement of a policy specifying the records required to be maintained and produced increases the ability of the Funds to prove the contributions owed by delinquent employers and thereby to provide proper credit to the employees and their beneficiaries;

NOW THEREFORE, the Trustees resolve that the following policies are adopted by the Benefit Funds effective as of March 1, 2002:

1. Except as otherwise provided herein, all contributing employers to the Benefit Funds shall maintain and make available for inspection and copying by an auditor of the Benefit Funds the records listed on Appendix A, attached hereto.

2. Any employer obligated to contribute to the Benefit Funds who fails to maintain and make available for inspection and copying to an auditor of the Benefit Funds the requisite records listed on Appendix A shall bear the burden of proof with respect to the exclusion of any employee from coverage by the collective bargaining agreement with the Union. In those cases where an employer asserts that an employee is excluded because he/she is a member of another bargaining unit, the employer must submit tangible evidence of that fact, e.g., a union membership card, contribution records maintained for the benefit funds of the other bargaining unit, commercial drivers' license if it is asserted that an employee is a truck driver rather than a laborer and workers' compensation policies, forms and applications listing an employee's job classification or other business records. The affidavit of an employer's representative or officer unsupported by documentary evidence shall not be sufficient to meet the employer's burden of proof. Affidavits solicited and obtained ex parte by an employer's representative from employees, for which there is no corroborative evidence in the form of records maintained in the ordinary course of business, shall not be sufficient to meet the employer's burden of proof.

3. When an employer has failed to maintain or make available the requisite records, there shall be a rebuttable presumption that any employee listed as a possible laborer by an auditor, Field Representative or attorney representing the Benefit Funds was a laborer. There shall also be rebuttable presumptions concerning the hourly rate and number of hours worked as follows: (a) that the employee was paid only \$10.00 per hour if no record of wage rates was made by the employer, and/or (b) that the employee worked 72 hours per week if no record of the number of hours was maintained; whichever of these presumptions results in the higher amount of contributions shall be applied. When evidence exists that a different hourly rate was paid to employees of an employer that failed to maintain the required records, at the discretion of the Director of the Field Department, a different hourly rate may be presumed for purposes of determining the amount of contributions owed by the employer. If that evidence shows that the employer paid a rate lower than \$10.00 per hour to any employees doing bargaining unit work, then that lower rate shall be presumed to be the actual rate paid to all employees for whom adequate records were not kept. Similarly, where evidence exists of a different number of hours worked, the Director may apply a different number of hours for determining the contributions owed, and this number of hours worked shall be presumed correct. All wages computed as provided in this paragraph shall be presumed to be paid as straight time wages regardless of the number of hours worked unless the employer has provided documentation, in the form required by the terms of this policy, showing that it followed the requirements of the Fair Labor Standards Act and/or the applicable collective bargaining agreement as to the payment of overtime.

4. An employer that fails to maintain the requisite records and fails to cooperate with the Trustees in establishing the paid wage rates, actual hours of work and contributions owed to the Benefit Funds shall be liable to the Benefit Funds and any related organizations, for the contribution amounts determined as provided herein and also for 20% liquidated damages, compound interest at the rate of prime plus 2 points (as determined by the Administrator), auditor's and attorney's fees and any other expenses of collection including investigative costs.

## **LABORERS' PENSION AND WELFARE FUNDS**

### **POLICY FOR SCHEDULING OF AUDITS**

As Adopted by The Boards of Trustees  
Effective as of April 1, 2006

Contributing employers to the Laborers' Pension Fund and the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity (collectively, the "Benefit Funds"), shall be audited periodically in accordance with the procedures adopted by the Collection Committee of the Benefit Funds. The Director of the Field Department, in cooperation with the Benefit Funds' auditors, shall prepare a schedule for auditing contributing employers in accordance with the following procedures.

Two types of audits shall be conducted: "full audits" in which payroll and other records on all employees are examined and "sampling audits" in which a selection of payroll and other records are tested to enable the compliance auditor to make a reasonable determination that there are no delinquencies. A sampling audit should include a review of all types of records (e.g. payroll records, tax records, cash disbursement records, reports to other benefit funds, etc.) Where a sampling audit discloses delinquencies or related record discrepancies, a full audit shall be conducted.

Employers shall be scheduled for either full audits or sampling audits in groups based upon the contribution histories of the employers. Either a sampling or full audit shall be conducted at least once every five (5) years. Any employer that fails to schedule an audit and submit records for review within 45 days from the date of the audit request will be liable for all costs of compelling and enforcing the audit request. The following procedures shall be used:

#### **AUDIT PERIOD**

1. **New Employers.** New employers shall be scheduled for audits within the first year in which contributions to the Benefit Funds are required.

2. **Honor Roll Employers.** Employers with a history of adequate record keeping and timely, payments to the Benefit Funds ("Honor Roll Employers"), shall be required to submit to audits every three (3) to five (5) years. Following an audit showing adequate record keeping and correct payments, such an employer shall be designated an Honor Roll Employer and shall be selected randomly for an audit between the third and fifth year thereafter. (Such employers may opt for a scheduled audit every three years.) An inadvertent shortage of no more than the greater of \$1000 or two percent (2%) of required contributions determined on a full audit covering three or more years of contributions to the Benefit Funds shall not disqualify an employer from inclusion in this group.

3. **Other Contributing Employers.** Employers that are not classified as New or Honor Roll Employers or who have been assessed significant delinquencies to the Benefit Funds or any of the ancillary funds to which contributions are owed pursuant to the collective bargaining agreements of the Laborers' District Council shall be scheduled for full audits at least once every three (3) years.

**4. Employers Subject to Special Audits.** At the discretion of the Director of the Field Department full audits of employers obligated to contribute to the Benefit Funds may be conducted at any time based upon information concerning possible delinquencies, e.g., failure to file monthly remittance reports, failure to pay contractually required wage rates, information concerning a possible closing or sale of the business, information that the employer is operating an alter ego or similar bases suggesting possible delinquencies.

#### **FULL AND SAMPLING AUDITS**

**1. New Employers.** If there is a sufficient number of employees of a New Employer, the auditor of the Benefit Funds may do a sampling audit to determine if the employer is maintaining accurate records and making required contributions, otherwise the auditor will do a full audit. An important purpose of audits for new employers is to inform employers of the procedures for contributing to the Benefit Funds and the requisite records to be maintained. \*

**2. Honor Roll Employers.** Sampling audits shall be used for Honor Roll Employers if they have sufficient employees to warrant use of sampling methods. If a sampling audit discloses inaccurate or incomplete record keeping or evidence of significant delinquencies, a full audit shall be done.

**3. Other Contributing Employers.** Full audits shall be conducted if employers are not qualified as New or Honor Roll Employers.

**4.** Notwithstanding the foregoing, the Collection Committee or the Director of the Field Department may, in their discretion, determine that a full audit shall be done of any employer or that, where a sampling audit is to be conducted, specific records shall be produced.\*

\* For information concerning the requisite records to be maintained, see the Laborers' Pension and Welfare Funds Policy for Retention and Production of Employer Records, effective as of April 1, 2006 and the Records Required to be Retained By Employers and Produced for Audits adopted January 9, 2002.
